Transfers

We provide a transfer service from all the major points of arrival for Darjeeling -(Bagdogra Airport, New Jaipalguri Railway station, Siliguri, Kakarvitta, Bhadrapur, Biratnagar, Phuntsholing, etc.). We strongly recommend that you book your transfer with us in advance for several reasons.

To avoid the hassle of negotiating with taxi touts who will be harassing you for your business as soon as you step out of the airport / station / border town on the first day of your holiday.

The car you book will be reserved for you –you will not be expected to share with other guests.

Whilst independent taxis will drop you to one of the two Darjeeling taxi stands, our courteous driver will be there to meet you with your name on a placard, and of course he will bring you to the door of the hotel.

The journey up to Darjeeling is an experience in itself: our drivers will be happy to stop along the way so that you can take photographs, have tea or just soak up the atmosphere unlike independent taxi drivers who will want to rush back to Darjeeling to get more business.

Our rates are very competitive (compared to other hotel rates or the charges levied by independent taxis, who often hike their rates according to demand) allowing you to travel with the confidence that your transfer to / from the hotel is all taken care of.
